Marty,

Thank you for what you have done for The Boat Show! I couldn't believe the amount of savings you gave me. In addition I am better protected for exposures I have in my business such as when we display our boats away from the dealership at Boat Trade Shows. I am big on having a good relationship with my Agent and even though I liked the guys we were with, your price and service has been unmatched. Your guy Kirk did an excellent job as well in explaining all the difference with the policies. We have already referred you to the other Boat Dealers we know as well as business owners in other lines of work.

Sincerely,
Mark & Jerilyn Connetti
